

SAMPLE PLOT PLAN

Showing Erosion/Sedimentation Control Information

Refer to Clackamas County Technical Guidance Handbook for additional information about requirements.

I:\GPermits\Standard Letters\Erosion Control Permits\Sample Plot Plan.ai

Note: the base features of a plot plan such as property lines, structure location, dimensions etc. do not have to be surveyed. However, OLSD may require a precise plan. Services such as the following offer plan bases. www.mysiteplan.com
